

Employers Liability Insurance for Mountaineering Scotland Clubs / Huts

This cover is available to Mountaineering Scotland clubs following completion and return of a satisfactory application form (Attached). **Cover is not applicable automatically** although there is no charge to clubs for standard cover.

Summary of cover

Employers' Liability insurance, provides protection against your clubs' legal liability for damages and legal costs arising from Injury to any Person Employed caused during the Period of Insurance and arising out of and in the course of employment in your club. By arranging this cover means that your club will comply with your statutory Employers' Liability requirements.

Principal Features of cover include:

- Injury to any employee caused during the period of insurance. Injury is defined as 'bodily injury, death disease or illness.
- Legal Defence costs in defending proceedings arising from a breach of the Health & Safety at Work Act 1974, the Health & Safety at Work (Northern Ireland) Order 1978 where there has been no actual injury is covered under a separate section of your Policy. (Limit of Indemnity £250,000 any one period of insurance).
- Limit of Indemnity £10,000,000 for any one event (restricted to £5,000,000 in respect of terrorism), inclusive of all legal costs.

Who might be an Employee?

The intention is to provide cover for cleaners and light maintenance work carried out by members. Employees are not only those persons who are remunerated however (for the purposes of Employers' Liability). For example, if a club directs an individual in not only what it wants doing, but also how it requires a task to be carried out, it may inadvertently put itself in the position of being an "employer".

There is no intention under the policy to provide cover for the benefit of an outside contractor who might otherwise be charging a fee for the task, or indeed provide any liability cover (of whatever type) for any climbing instructor.

Statutory Certificates of Employers' Liability

These will be issued by Perkins Slade Ltd, following completion of the application form. We are not allowed to issue a certificate without the completed information. You will need to complete all details including any ERN number. You will only have an ERN number if you have any single employee who earns more than £503 per month.

Once issued Certificates must be displayed on your club notice board.

General Conditions of your cover

If there are any changes where the risk is increased you must inform Mountaineering Scotland or Perkins Slade immediately. Failure to do so could invalidate the policy or result in a claim being repudiated.

You must at your own expense take all reasonable precaution(s) to prevent any occurrence, or cease any activity which may give rise to liability under the policy and maintain all buildings, furnishings, equipment etc in a reasonable condition.
