

Mountaineering Scotland Summary of Individual Members' Combined Liability Insurance

Howden is a member of Howden UK Group Ltd, one of the largest independent insurance brokers in the UK. The Sport & Recreation team provides advice and assistance to more than 300 National Governing & Representative Bodies of Sport and Recreation, and more than 3 million individual participants, throughout the UK.

Our experience is such that we are able to provide a flexible service so as to cater for the complex but uniquely different needs of those involved in Sport and Recreation.

For reasons explained in the following cover explanations we believe that the Insurance Scheme for Mountaineering Scotland members meets the demands of an individual member of Mountaineering Scotland.

Insurance Scheme for Individual Members of Mountaineering Scotland

Continued litigation reinforces the need for all sports organisations to have full and appropriate insurance protection. Without it you could be held personally financially liable to compensate for losses for which you do not hold valid insurance.

The following covers provided are summarised over the page. We emphasise that details are a summary only. A specimen full Liability policy wording is available to view at the [Mountaineering Scotland Insurance Centre](#).

Combined Liability

Provides protection from the consequences of claims against a Mountaineering Scotland Club, Club member, individual member, committee member, trustee or volunteer for injury, financial loss or damage to property, where negligence occurs.

Instructors must obtain their own cover direct from Howden at www.247sportsinsurance.co.uk or by telephone 0121 698 8050

Material Facts

The insurance is provided on the basis that at the time of your membership renewal you have declared any relevant material facts which may affect the cover, including:

- Any incidents which you know about which may cause a claim on the policy
- Any criminal convictions (other than road traffic offences) or are currently declared bankrupt
- You are a fully paid affiliated member of Mountaineering Scotland

Outline of cover

All members of Mountaineering Scotland have a responsibility to ensure that anything they do does not cause injury or financial loss to others or damage to property. If they do, and negligence is proved, they could become legally liable to pay compensation. Accidents in mountaineering can and will happen and in this litigious age, members are vulnerable to claims that can sometimes involve very large sums of money.

Combined Liability provides a breadth of cover that is rarely available through non-specialist brokers.

Appropriate cover is therefore essential. Combined Liability provides cover for legal liability under civil law to the general public for personal injury or damage to third party property.

Important

The Combined Liability cover is provided on a "claims made" basis - which means that there has to be a policy in force at the time at which the incident is first reported to us, not necessarily at the time the activity was undertaken. Once a policy is cancelled, no cover is provided for claims that are notified after the date of cancellation. It is therefore essential that all incidents or circumstances that might give rise to a claim are reported to Howden immediately.

Limit of Indemnity

Combined Liability £10,000,000 any one event
£10,000,000 any one period
of cover for
products/pollution

The Limit of Indemnity is the maximum amount of damages insurers will pay in relation to the settlement of claims. **There is no Policy excess.**

You must report every claim and any incident that is likely to give rise to a claim in the future.

Geographical Limits

Cover is applicable worldwide, subject to the exclusion of any legal action brought against the insured in a court of Law within the USA/Canada. This does not mean that activities in the USA/Canada are excluded, simply that legal actions brought in the USA/Canada are excluded.

Combined liability includes the following covers:

Public Liability	Accidental bodily injury to third parties and/or damage to third party property arising out of your insured activities
Products Liability	Accidental bodily injury to third parties and/or damage to third party property arising out of any goods sold or supplied by you (including refreshments)
Provision of Advice	Loss (financial or otherwise) arising out of Errors and Omissions. For example, bad advice (instruction/coaching) or failure to act
Libel and Slander	Protection against the consequences of defamatory statements, this is important in respect of any communications produced, or forums held online

The shaded areas of the table are sections of cover provided by the Combined Liability policy over and above those of a standard Public Liability policy.

Paid Instructors

It is important to realise that the policy does not provide any cover for paid instructors. If you require cover to provide insurance protection whilst carrying out paid mountaineering instruction please contact Howden on 0121 698 8050 or obtain cover direct at www.247sportsinsurance.co.uk.
